WILLS, TRUSTS & ESTATE PLANNING

409 Pasadena Ave South
St. Petersburg
(727) 471-7888

ATTORNEY TERRY B. SALISBURY'S goal is to serve you & your family's estate planning & elder care needs. With 34 years of experience, Terry personalizes each plan he develops to best accomplish your personal & professional objectives and emphasizes elder care planning in his practice.

Given the aging population, and the escalating costs of elder & nursing home care, Terry emphasizes that the decisions & plans that families implement are absolutely critical to preserving estates & assets. He states that to maximize elder care planning techniques & options, baby boomers should be planning now. Good plans should reflect the values of the clients for whom they are designed and allow those clients to control the disposition of their estates, while minimizing estate taxes and elder care expenses. Responsiveness to clients' concerns and inquiries is his priority. His work is thoughtful and thorough. The costs of responsible planning pale next to the decimating consequence of inaction. Terry is Florida Bar Board Certified in Wills, Trusts & Estates, since 1992.
