DIVORCE & FAMILY LAW

ATTORNEY HEATHER SCHMIDT BRESNAHAN understands the broad scope of divorce and family issues and is well prepared to assist those individuals needing her services. She addresses divorce-related problems in a sensitive and creative manner.

Initially, Heather makes an effort to stabilize her client's emotional and financial situation. This typically requires obtaining temporary court orders concerning child custody, support and the allocation of debt responsibility. Often times, a settlement agreement can be negotiated. She realizes that it is often in the children's best interest to settle the divorce, rather than have the parties continually battle in court. Heather believes that her professional obligation to her clients is to counsel, advise, make recommendations and to keep them fully informed of all relevant legal and factual information.

DIVORCE & FAMILY LAW

With 29 years of experience in family law, **ATTORNEY GREGORY W. SWANK** knows that each client's situation is unique, and will undoubtedly call for a tailored approach.

By keeping clients informed and participatory throughout the process of divorce, Greg works **with** his clients rather than **for** them. He believes the most important step towards a successful outcome in any family law dispute is to define clearly what each client's long-term objectives are. Then, Greg works closely with his clients to explore the various legal avenues available to reach those goals. Ultimately, it is the clients' objectives that define his course of legal action. He believes it is particularly important in family law to retain the most effective rather than the most aggressive attorney. Providing effective representation while balancing the emotional and financial costs of litigation is what sets the Swank Law Office apart. His general practice includes criminal/DUI, real estate, civil litigation, and wills, trusts & estates. Visit: www.swanklawoffices.com
